Legacy Discovery is a powerful journey that celebrates the strength, wisdom, and purpose you carry through this world as a man. It is an exploration of the collective wisdom of men that includes your own unique and valuable insights. It is a voyage that leads you to a deeper understanding of the man you are today and awakens the power within to create the man your legacy demands.

Legacy Discovery takes place over the course of a weekend in a safe setting away from the distractions of everyday life. It is a unique event created by dedicated men for men. It is their honor to serve you throughout the weekend. More than just an informational seminar or meditative retreat, it is a powerful experience full of insight, laughter, challenge, physical fun and spiritual awakening.

AT LEGACY DISCOVERY YOU WILL DISCOVER...

- A powerful way of being based on mature masculinity.
- How to deepen your connection with men.
- How wisdom from a circle of men can bring you more success.
- A purpose that will make a difference.
- What you are truly committed to in life.
- Your true relationship to money and how that affects your life.
- How to communicate more effectively and powerfully.
- How to create more trusting relationships.
- The real relationship you have with your father.
- The role that sex and intimacy play in your life.
- How to face yourself as you truly are and embrace responsibility for your actions.
